presents

HDC, inc.
Hughes Design and Construction, Inc.

“Ralph is always honest and always brings things in on budget. Quality work, great people who work with him, and a professional job site. Those qualities get the best prices and keep the project on budget.”

— Dewight Morse

“Ralph takes all the guess work out of the building process. He will also listen to the customer’s questions and concern. He is a hands-on builder, but also is willing to let the customer suggest suppliers and even subcontractors.”

— Peter Couch

It would be both a privilege and honor to have you as a Hughes Design and Construction, Inc. homeowner. You can reach Ralph and Cindy Hughes at 501-262-2100 or 501-282-2572.

“Earning your trust through personal attention and commitment is the foundation of HDC, Inc. The Hughes family enjoys building the next dream home or office. When the job is done, we get as much fulfillment out of the finished project as the client could imagine.”

— Ralph and Cindy Hughes

Proudly serving the Hot Springs area

Hughes Design & Construction (HDC) has been proudly serving the Hot Springs, Arkansas, area as a general contractor since 1997. HDC takes pleasure in helping clients build their dream home from the ground up. Building a custom home is a detailed process with many decisions along the way to the finished product.

HDC, inc.
Hughes Design and Construction, Inc.

HDC works side by side with you every step of the way facilitating this progression. Their approach to Construction Management allows you to play an active role in the building procedures and guide you through all the phases of the design build process. They make sure that your individual tastes are understood and accepted in each phase, while also monitoring your budgeted cost.
